

Dear Idlewild Foundation,
(John, Anna, & Board Members)
Thank you for your
generous gift to us
through Hope Street and
the Hope SK. We know
of your faithful
Commitment to Idlewild
Students in need of
financial aid for
college, so we were
thrilled when you agreed
to step outside of the
Idlewild family and
provide funding to
younger girls that

are in desperate
need of care: physical,
emotional, and
spiritual, so that we
can get them on track
to be requesting
financial aid for
college. The goal for
our girls is that
they will know
Christ's love for them
and that He has a
plan for their lives,
"a hope and a future".
Thank you for believing
in our mission to
restore stolen childhoods.

Love,
Micah, Laura, Angeline
